

**Inspire Retreat
at Cliff College Festival
1-4 June, 2012**

Wesleyan DNA of Mission-Shaped Discipleship

All are welcome to participate! Come and enjoy the teaching seminars. If you find them helpful, come back for the times of guided reflection and small group fellowship. The purpose of this is to seek God for what he might be saying to you through the teaching, and sharing / praying into that with others.

Phil Meadows will be leading the seminars, and David Lawrence will be leading the times of guided reflection and small group fellowship.

Saturday

| | |
